### **Kuhns' join GIFT Foundation's Legacy Society**

The GIFT Foundation's Legacy Society is a group of individuals who have named GIFT in their wills or estate plans. The newest members of the Legacy Society are Bob and Dr. Barb Kuhns. "We've lived here all our married lives and Barb was raised here," says Bob. "It just made sense to pay back the community that has been so good to us. GIFT's Legacy Society was the perfect vehicle to allow us to do that."

Mr. Kuhns said that he and his wife had several visits with the folks at GIFT to learn about the many possibilities available to them. In doing their estate planning their attorney took the necessary steps to name GIFT in their will. "We haven't decided exactly how we want the funds distributed," says Mr. Kuhns. "We plan to do that in the near future."

"Bob and Dr. Barb Kuhns' gift will keep their memory alive forever," says Brett Lohman, president of the GIFT board, "making Geneseo an even better place to live and raise a family."

Besides the Kuhns, other members of GIFT's Legacy Society are Arv and Margie Erdman and George and Linda Kutsunis.
