GIFT awards scholarships

Two Geneseo High School graduates will enter college with a nice gift from GIFT.

Graduate Laura Peterson will enter Illinois Wesleyan where she will prepare for a future in medicine. She was active in band, National Honor Society, track as well as a number of other activities. Laura is the daughter of Kevin and Mary Beth Peterson of Geneseo.

Abby Norman will enter Central College where she will study to become an Athletic Trainer. While in school she participated in band, Maplettes, National Honor Society as well as participating in many community and church related activities. Abby is the daughter of Geneseo residents Nick and Deb Norman.

“It’s truly satisfying to help young people who have achieved so much already in their young lives’ to go on to bigger and better things,” says Paul Lindsey, President of The GIFT Foundation. “I’m sure we’ll get more positive reports as these young ladies further their educations.”
